

Tap into your potential

Ready to take the next step?

Join us for a hands-on workshop designed for service members transitioning to civilian careers. Connect with hiring managers and veterans who'll help you translate your military experience into powerful, civilian-ready resumes.

Get real advice, resume reviews, and career insights from Stantec professionals and hiring managers. Whether you're interested in engineering, IT, marketing, HR, or other paths, your experience matters—and we're here to help you make it shine.

Small groups. Big impact. All are welcome.
